

## **The SRJC Culinary Café and Bakery**

### ***Are reservations required at the Café?***

Reservations are not required, but so many people make them that it's a good idea to do the same. Because our primary goal is to create the best learning environment for our students, it's important that we know what to expect each day. But if you're in the area and don't have a reservation, please stop in because we can frequently offer you a table.

### ***What's the largest party you can accommodate for lunch in the Café?***

In our private dining room, we can seat 25-40 for a private luncheon or a meeting. You'll have your own special two or three-course menu. Call us at 707-522-2796 at least two weeks in advance.

### ***Can the Bakery make special orders?***

Our bakery is stocked with goodies prepared from a planned curriculum, so we are not able to accept requests for special orders.

### ***Can I hire a student to help us at an event?***

Yes. We can match you with experienced students who can assist in food prep and service at your home. Go to our web site at [www.srjcculinarycareercenter.com](http://www.srjcculinarycareercenter.com) and click on "I need student assistance for an event."
